FLEET MAINTENANCE SERVICES AGREEMENT

Preventive and corrective maintenance of Class 8 tractors and dry van trailers

Contract No. RV-A-MNT-2026-014

This Fleet Maintenance Services Agreement (the "Agreement") is entered into as of January 15, 2026 (the "Effective Date") by and between **Rutaviva Logistics, Inc.**, a Texas corporation with its principal office at 1200 Frontera Logistics Parkway, Laredo, Texas 78045 (fictitious address), EIN 00-0041871 (fictitious), hereinafter **"Rutaviva"**, and **Rio Bravo Diesel Services, LLC**, a Texas limited liability company with its principal place of business at 8800 Industrial Loop, Laredo, Texas 78041 (fictitious address), hereinafter **"Supplier"**. Rutaviva and Supplier are each a "Party" and together the "Parties".

SECTION 1. PURPOSE AND SCOPE

1.1 Supplier shall provide preventive maintenance, corrective repairs, roadside breakdown assistance and regulatory inspections for the Rutaviva fleet listed in Exhibit A (the "Covered Units"). As of the Effective Date the Covered Units consist of eighty-five (85) Class 8 tractors and one hundred forty (140) 53-foot dry van trailers domiciled at the Rutaviva Central Yard in Laredo, Texas.

1.2 Rutaviva may add or remove Covered Units by written notice. Added units are covered from the first day of the following calendar month at the rates in Section 5. Removing more than fifteen percent (15%) of the Covered Units in a contract year entitles Supplier to renegotiate the rates in good faith.

1.3 Supplier shall perform all work at its Laredo facility, at the Rutaviva Central Yard, or at the breakdown location for roadside assistance. Work on tires is excluded from this Agreement and is covered by a separate tire supply agreement.

SECTION 2. TERM AND RENEWAL

2.1 This Agreement begins on February 1, 2026 and ends on January 31, 2028 (the "Initial Term"), a period of twenty-four (24) months.

2.2 Upon expiration of the Initial Term, this Agreement shall automatically renew for successive renewal terms of twelve (12) months each, unless either Party gives written notice of non-renewal at least ninety (90) days before the end of the then-current term.

2.3 Rates for any renewal term may be adjusted once per renewal by the percentage change of the Consumer Price Index for All Urban Consumers (CPI-U) published by the U.S. Bureau of Labor Statistics over the preceding twelve months, with a maximum increase of four percent (4%).

SECTION 3. PREVENTIVE MAINTENANCE PROGRAM

3.1 Supplier shall perform a PM-A service on each tractor every twenty-five thousand (25,000) miles or ninety (90) days, whichever occurs first. A PM-A service includes engine oil and filter change, fuel filter replacement, chassis lubrication, brake adjustment and inspection, lights and air system check.

3.2 Supplier shall perform a PM-B service on each tractor every fifty thousand (50,000) miles. A PM-B service includes all PM-A tasks plus coolant analysis, air dryer cartridge replacement, transmission and differential fluid check, and a full brake system measurement recorded in the unit file.

3.3 Trailers shall receive a preventive inspection every ninety (90) days covering brakes, lights, landing gear, doors, floor and mud flaps.

3.4 Supplier shall perform the annual periodic inspection required by 49 CFR 396.17 for every Covered Unit, using qualified inspectors as defined in 49 CFR 396.19, and shall keep inspection, repair and maintenance records as required by 49 CFR 396.3. Records shall be delivered to Rutaviva in electronic form within five (5) business days after each service.

SECTION 4. SERVICE LEVELS

4.1 Roadside assistance shall be available twenty-four (24) hours a day, seven (7) days a week. Supplier shall arrive at a breakdown location within two (2) hours when the unit is within fifty (50) miles of Laredo, and within four (4) hours when the unit is between fifty (50) and one hundred fifty (150) miles of Laredo.

4.2 Supplier shall maintain a monthly fleet availability of at least ninety-five percent (95%), measured as the percentage of Covered Units not out of service for maintenance reasons attributable to Supplier.

4.3 Service credits. For each full percentage point by which monthly fleet availability falls below ninety-five percent (95%), Supplier shall credit Rutaviva five percent (5%) of that month's maintenance fee, up to a maximum credit of twenty percent (20%) of the monthly fee. Service credits are Rutaviva's sole monetary remedy for availability shortfalls, without prejudice to its termination rights under Section 9.

SECTION 5. FEES AND PAYMENT

5.1 Supplier shall be paid according to the following rate schedule:

Service	Rate (USD)
PM-A service, per tractor	$385.00
PM-B service, per tractor	$640.00
Trailer preventive inspection, per trailer	$145.00
Annual DOT inspection (49 CFR 396.17), per unit	$95.00
Corrective repair labor, per hour	$118.00
Roadside call-out fee, per event	$175.00
Parts	Supplier cost plus 12%

5.2 Supplier shall invoice monthly in arrears. Rutaviva shall pay undisputed amounts within thirty (30) days after receipt of a correct invoice (Net 30). Late payments bear interest of one percent (1%) per month. Rutaviva may withhold disputed amounts in good faith while the dispute is resolved.

SECTION 6. WARRANTY

6.1 Supplier warrants its workmanship for ninety (90) days or ten thousand (10,000) miles from completion of the service, whichever occurs first. Parts are covered by the original manufacturer warranty, which Supplier shall administer on Rutaviva's behalf at no additional charge.

SECTION 7. INSURANCE

7.1 Supplier shall maintain, at its own cost, commercial general liability insurance of at least $2,000,000 per occurrence, garagekeepers legal liability of at least $1,000,000, and workers' compensation as required by Texas law. Rutaviva shall be named as additional insured and Supplier shall provide certificates of insurance upon signature and at each renewal.

SECTION 8. INCIDENT REPORTING

Incident Reporting Protocol RV-IRP-7. Supplier shall report any accident, cargo theft, hazardous material spill, roadside breakdown involving injury, or law enforcement stop affecting Rutaviva equipment to the Rutaviva Network Operations Center in Laredo, Texas, within two (2) hours of becoming aware of it, by calling the 24/7 incident line and quoting the incident code RV-IRP-7. A written incident report, including photographs, the police report number when available and the names of all persons involved, shall follow within twenty-four (24) hours. Supplier shall preserve all electronic logging device (ELD) data, dash camera footage and telematics records related to the incident for no less than three (3) years and shall make them available to Rutaviva upon request.

SECTION 9. TERMINATION

9.1 Either Party may terminate this Agreement for material breach if the breach is not cured within thirty (30) days after written notice describing it.

9.2 Rutaviva may terminate this Agreement for convenience at any time with sixty (60) days' written notice, paying only for services performed until the termination date.

9.3 Rutaviva may terminate immediately if fleet availability is below ninety percent (90%) for three (3) consecutive months.

SECTION 10. CONFIDENTIALITY

10.1 Each Party shall keep confidential the terms of this Agreement and any non-public information received from the other Party, and shall use it only to perform this Agreement. This obligation survives for three (3) years after termination.

SECTION 11. GOVERNING LAW AND DISPUTES

11.1 This Agreement is governed by the laws of the State of Texas. The Parties submit to the exclusive jurisdiction of the state and federal courts located in Webb County, Texas. EACH PARTY WAIVES ITS RIGHT TO A JURY TRIAL.

11.2 This Agreement, together with its exhibits, is the entire agreement of the Parties on its subject matter and may only be amended in a writing signed by both Parties.

IN WITNESS WHEREOF, the Parties have signed this document as of the date first written above.
