SECTION 1. PRODUCTS AND LOCATIONS

1.1 Supplier shall supply ultra-low sulfur diesel (ULSD) meeting ASTM D975 and diesel exhaust fluid (DEF) meeting ISO 22241 to Rutaviva vehicles at (a) the on-site tank at the Rutaviva Central Yard, by bulk delivery, and (b) the Supplier-branded truck stops listed in Exhibit A, using fleet fuel cards.

1.2 Bulk deliveries to the Central Yard shall be made within twenty-four (24) hours after Rutaviva's order. The on-site tank shall never be allowed to fall below twenty percent (20%) of its capacity when Supplier manages the inventory.

SECTION 2. PRICE

2.1 The price per gallon of ULSD shall be the weekly U.S. Gulf Coast (PADD 3) retail on-highway diesel price published by the U.S. Energy Information Administration (EIA) for the week of the purchase, minus a discount of twelve cents ($0.12) per gallon, plus applicable federal and Texas fuel taxes.

2.2 DEF is priced at $3.10 per gallon at truck stops and $2.65 per gallon by bulk delivery, fixed for the first contract year.

SECTION 3. MINIMUM VOLUME COMMITMENT

3.1 Rutaviva commits to purchase at least one hundred eighty thousand (180,000) gallons of ULSD per calendar month across all locations.

3.2 Shortfall fee. If monthly purchases are below the minimum volume, Rutaviva shall pay a shortfall fee of two cents ($0.02) per gallon of shortfall. The shortfall fee does not apply in months affected by force majeure or by a Supplier supply interruption.

SECTION 4. FLEET FUEL CARDS

4.1 Supplier shall issue one fleet fuel card per tractor, linked to the unit number. Each transaction requires the driver's personal identification number (PIN) and the odometer reading.

4.2 Card controls. Each card is limited to three hundred (300) gallons per transaction and two (2) transactions per day, and may only be used to purchase diesel and DEF. Rutaviva may change these limits through Supplier's portal.

4.3 Lost or stolen cards. Rutaviva shall report lost or stolen cards through the portal or the 24/7 card line. Rutaviva is not liable for transactions made with a card after it has been reported lost or stolen.

4.4 Supplier shall provide transaction data by unit, state and gallons so that Rutaviva can prepare its International Fuel Tax Agreement (IFTA) quarterly returns.

SECTION 5. INVOICING AND PAYMENT

5.1 Supplier shall invoice weekly. Each invoice shall list, for every transaction, the card, unit, date and time, location, gallons, price per gallon and discount applied. Rutaviva shall pay within fifteen (15) days of the invoice date (Net 15).
